FREE! Simply send a request for the files to josephc@jesandco.org and arrangements will be made to provide them to you as a download. These files and all other ASN files are also available anytime through ASN Web Services. [Click for more information about ASN Web Services.](#)

Common Core Standards Released

The NGA **Common Core State Standards** for English and Math have been released. We are currently analyzing the standards and will be including the Common Core in the ASN. Common Core Standards in the ASN provide a new source of "linked-data" that will contribute to the **Global Learning Resource Connection (GLRC)**, a collaboration between education agencies, education publishers and service providers around the world.

Talk to Us

We look forward to hearing from ASN users and welcome their participation in the community development of the ASN. Watch our newsletter for announcements of updates to the ASN and for the date of future ASN Community meetings.

Sincerely,

Bruce Walker
